HC RESOURCE TRACKING™

CRITICAL, FLEXIBLE, MOBILE RESOURCE TRACKING

ANY TIME • ANY PLACE

GER GLOBAL EMERGENCY RESOURCES

GER GLOBAL EMERGENCY RESOURCES

HC Resource Tracking™ provides near real-time data collection for asset visualization including site capacity, shelters, equipment, personnel, volunteers, housing, etc.; and gives rapid display of locations, status and reports.

Wherever you are in the world, HC Resource Tracking™ allows you to organize and maintain vital information about critical resources and their status – however you define critical resources.
